Defendant.)	

Based on an examination of the Qualifying Engines identified in Attachment 2 to the July 31, 2022 Mitigation Program Plan Progress Report, Navistar hereby certifies that each of the Qualifying Engines contained in Attachment 2 satisfy the requirements of Section VII of the Consent Decree and Appendix A. Navistar further certifies that, at the time of their acquisition, the Qualifying Engines could start, move a vehicle, and had all necessary parts. Finally, Navistar also certifies that each referenced Qualifying Engine had at least three years of commercially viable remaining life as set forth in Appendix A Paragraphs 4(a)(v) and 5.
